B-TRACKS	 <p>An ongoing series of beer produced in collaboration with Baldor  where we take ingredients being used by top chefs around the city and build them into one-of-a-kind beer styles. B-Tracks are available in our Taproom and open for very limited distribution.</p> <p>Go to www.thebronxbrewery.com/b-tracks to find out more about the B-Tracks brewing program.</p>					
SINGLES PROJECTS	 <p>Our creative lab where we pilot, test, re-test, and explore new beer styles and beverage concepts. Innovation done right is a process, and so while only Single is available at a given time, every now and then one of these brews will make the jump from Single to EP for mainstream consumption.</p>
